Topli Val is Mediterranean cuisine paired with the addition of local culinary traditions.

Respect for tradition, more than 30 years of experience, tried and true recipes and the use of the freshest ingredients all together enable us to provide clear and distinct flavours.

At the restaurant, you will receive practically all of the best that the Adriatic Sea offers direct to your plate. Of course, we only bring to the table that which is the freshest of today.

The same is true of our local specialties: trout, game meat, mushroom dishes, homemade dried meats and dairy products in various combinations.
